**Parts and Services
you can rely on!**

Epic products are intended as replacements for worn or damaged parts in OEM products. OEM Part numbers in (parenthesis) indicate either 1) improved design 2) the part serves the same function as the OEM part, but may differ from the OEM design, 3) it is a component of an assembly where no OEM reference number is available, or 4) it is a repair service for the referenced part.

Parts with EE designations are manufactured by Epic and are not authorized by the original equipment manufacturers., ©Epic Enterprises, Inc., March 2008

EE is an Epic trademark designating Epic parts
